

The importance of getting **PREQUALIFIED**

**You will
know your
credit profile**

The credit check done when **prequalifying** will show you your credit score status and whether any improvements are needed.

It shows a
seller
that you're
serious

**It speeds
up the
approval
process**

You can plan

You can be prepared for any additional **future costs** associated with buying your home, alleviating any surprise expenses.

Let us assist you with **prequalifying** and get the best **home loan deal** for you to make homeownership a reality!
